

DECLARATION

I, as the authorised person of the applicant company, hereby declare that:

- my company has substantive business in the HKSAR and is engaged in the research and development of the technology area(s) stated under Part I.
- all information and the supporting documents provided in this application as well as the accompanying information are true, valid and accurate, and reflects the status of affairs as at the date of application. Consent from data owners has been obtained for disclosing their personal information to the ITC. I shall inform the ITC immediately if there are any subsequent changes to the above information. In the event that any information is found untrue, incomplete or inaccurate, ITC reserves the right to revoke the approval of any quota.
- I understand and agree that the information provided in this form will be used by and / or disclosed to ITC and relevant parties to process the application, and if the application is successful, to monitor the use of approved quotas, or for other related purposes. I also understand and agree that ITC has the right at all times to seek or collect any additional information from the company to substantiate and process the application, and monitor the use of approved quota where necessary.
- I understand and agree that ITC may visit or contact the company and the technology talents employed under the TechTAS as and when necessary to keep track of the use of approved quotas.
- I understand and agree that ITC reserves at all times the absolute right to review all quota applications and adjust the quota approved as necessary.
- I understand and agree that the approval on quota application of TechTAS is entirely discretionary and is subject to changes in government policies and the Commissioner for Innovation and Technology reserves absolute discretion to refuse any quota application even if the application meets all eligibility criteria.
- I understand that employment visa / entry permit applications under the TechTAS are processed and determined by the Immigration Department and approval of a quota application under the TechTAS does not guarantee approval of an individual's employment visa / entry permit application by the Immigration Department. I also understand that approval of visa / entry permit applications is entirely discretionary and is subject to changes in government policies and the Director of Immigration reserves absolute discretion to refuse any visa / entry permit application even if the application meets all eligibility criteria.
