

**HKIAS 007 Annex I – Scope of Accreditation Sought (for new application for accreditation or extension of scope of accreditation only)**

Name / Registration number of CAB: |

Please specify as precisely as possible below the scope of accreditation sought.			
INSPECTION FIELD	ITEM, MATERIAL OR PRODUCT INSPECTED	PROPERTY AND CHARACTERISTIC INSPECTED	SPECIFICATION, INSPECTION METHOD OR STANDARD USED <sup>1</sup>

Inspection procedure <sup>2</sup>	Number of inspections performed within the past 12 months	Experience <sup>3</sup>	Sample inspection record <sup>4</sup>	Sample inspection report/certificate <sup>5</sup>

- Notes:
1. Specification quoted in this column should be of national or international standards or those published by reputable technical organisations or in relevant scientific texts or journals. In the absence of such standard specification, documented and validated in-house methods may be quoted.
  2. Please state the identification numbers of the inspection body internal technical procedures for the inspection activities listed in columns 3 and 4.
  3. Please state the approximate experience of the inspection body in performing the inspection activity, in number of years or months.
  4. Please state the identification numbers of the sample inspection records provided.
  5. Please state the identification numbers of the sample inspection reports provided.

**\* All inspection activities within the same inspection field listed in the above table will NOT be processed separately. HKAS Executive will issue a notification letter to grant accreditation for all these inspection activities only when the inspection body has demonstrated its conformity with the relevant accreditation criteria.**

Replicate this sheet if required.
